We are so happy when we see our students being Accountable, Engaged, and Safe! Picking up garbage on the playground, holding doors for each other, walking in the hallway, saying kind words to each other, and using the playground equipment appropriately are just a few examples of our students being great citizens every day. Every Friday, we recognize different students for good deeds in our "Feel Good Friday Shout Outs." They love hearing their names being read and they are always ready to celebrate their classmates.
