The Pumpkin Showcase was a tremendous success this year. Students, staff and visitors enjoyed seeing the spectacular display. The creativity and enthusiasm was outstanding and appreciated by all!

All our AES Cubs should dress appropriately for the weather as our days get colder. Recess is enjoyed two times each day, plus occasional outside classroom activities.

Picture retakes must be scheduled on-line this year by contacting Harvey Studios at harveystudios.fotosource.com/faq

The Book Fair was a great success! Thank you to everyone who supported our students, teachers & Library in making it possible for AES Cubs to enjoy the experience of opening a new book and getting lost in the pages. These books will help develop literacy skills while opening doors to many great imaginary adventures for years to come.

All students from K – 5 are in class until ten minutes to three (2:50 pm) each day. Instructional times have been extended in all schools across the district. At AES this means our students in kindergarten to grade 2 no longer have an extra recess at the end of the day or what we used to call “early pickup”; they are dismissed directly to busses along with all other students. Parents and caretakers who pick up at the end of the day are encouraged to wait outside until our classes have exited the building.
