hello **2025**
january

Thank you to everyone who supported our potato fundraiser in December.

The Home & School fundraiser was a success thanks to students & parents who worked hard to sell tickets.

Thank You!

A Community Educator from the RCMP is coming to visit classrooms to give presentations about internet and social media safety. These presentations will be very child-friendly and appropriate to the age level of the students.

With our safe arrival policy in place, we ask that parents notify the school before attendance is taken in the morning (8:35 am) if your child is going to be absent for any reason. This will prevent an absentee voice mail message from going out unnecessarily and help us track your child's attendance accurately. Students who arrive after this time are marked tardy and must sign in at the office.
