## PBIS Focus: Joy and Optimism

As the school year winds down, it's a wonderful time to reflect on the joy and optimism that have carried us through. From small wins in the classroom to shared laughter in the hallways, these moments have helped build a strong and caring school community.

Even as routines change and summer approaches, optimism reminds us that growth continues. Each student moving forward with new skills, confidence, and experiences. Let's celebrate the progress made, the friendships strengthened, and the many reasons to feel proud.

**Thank you for all the support and positive feedback this past year.  
Wishing all our families an enjoyable and relaxing summer.**

**See you all again on Sept. 8th, 2026**
